

SAFETY DATA SHEET

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Product name Turquoise Matte Stoneware Glaze

Product number P2558

1.2. Relevant identified uses of the substance or mixture and uses advised against

1.3. Details of the supplier of the safety data sheet

Supplier PotteryCrafts Ltd,
Campbell Road,
Stoke-on-Trent,
Staffordshire,
UK. ST4 4ET.
Telephone +44(0)178 2 745000
Sales @ PotteryCrafts.co.uk

1.4. Emergency telephone number

Emergency Telephone 44(0)1782 745000 Office Hours Mon-Friday 08:45 -16:30 hours

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

Classification

Physical hazards Not Classified

Health hazards STOT RE 2 – H373
Acute Tox. 4 – H302

Environmental hazards Not Classified

2.2. Label elements

Pictogram

Signal Word Warning

Hazard statements H373 May cause damage to organs through prolonged or repeated exposure.
H302 Harmful if Swallowed

Precautionary statements P270 Do not eat, drink or smoke when using this product.
P314 Get medical advice/attention if you feel unwell.
P501 Dispose of contents/container in accordance with national regulations

Contains Silica

SECTION 3: Composition/information on ingredients

3.2. Mixtures

| | |
|-------------------------------------------|-----------------------------|
| silica | 5-10% |
| CAS number: 14808-60-7 | EC number: 238-878-4 |
| Classification STOT RE 1 - H373 | |

| | |
|-------------------------------------------------------------|------------------------------|
| Barium Carbonate | 10-30% |
| CAS number : 513-77-9 | EC number : 208-167-3 |
| Classification Acute Tox. 4 – H302 | |
| REACH registration number : 01-2119489177-25-xxxx | |

The Full Text for all R-Phrases and Hazard Statements are displayed in Section 16.

SECTION 4: First aid measures

4.1. Description of first aid measures

Campbell Road - Stoke on Trent, ST4 4ET - United Kingdom
Tel: +44 (0)1782 745000 - Fax: +44 (0)1782 746000 - Web: www.potteryCrafts.co.uk ;

| | |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Inhalation | Unlikely route of exposure as the product does not contain volatile substances. |
| Ingestion | Do not induce vomiting. Rinse mouth thoroughly with water. Give a few small glasses of water or milk to drink. Get medical attention if any discomfort continues. |
| Skin contact | Wash skin thoroughly with soap and water. |
| Eye contact | Rinse with water. |

4.2. Most important symptoms and effects, both acute and delayed

| | |
|---------------------|----------------------------------------------------------|
| Skin contact | Prolonged skin contact may cause redness and irritation. |
|---------------------|----------------------------------------------------------|

4.3. Indication of any immediate medical attention and special treatment needed

SECTION 5: Firefighting measures

5.1. Extinguishing media

| | |
|-------------------------------------|-----------------------------------------------------------------|
| Suitable extinguishing media | Use fire-extinguishing media suitable for the surrounding fire. |
|-------------------------------------|-----------------------------------------------------------------|

5.2. Special hazards arising from the substance or mixture

| | |
|-------------------------|-----------------------------------------------------------------------------|
| Specific hazards | The product is not believed to present a hazard due to its physical nature. |
|-------------------------|-----------------------------------------------------------------------------|

5.3. Advice for firefighters

| | |
|------------------------------------------------------|-----------------------------------------------------------------|
| Special protective equipment for firefighters | Use protective equipment appropriate for surrounding materials. |
|------------------------------------------------------|-----------------------------------------------------------------|

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

Ensure adequate ventilation

| | |
|-------------------------------|-----------------------------------|
| Personal Protective Equipment | Respiratory protective equipment. |
|-------------------------------|-----------------------------------|

6.2. Environmental precautions

| | |
|--|------------------------|
| | No special precautions |
|--|------------------------|

6.3. Methods and material for containment and cleaning up

| | |
|----------------|-------------------------------------------------------------------------------------------------|
| Leaks & Spills | Use suitable vacuum equipment where practicable, otherwise damp down and scoop into a container |
|----------------|-------------------------------------------------------------------------------------------------|

| | |
|-----------------------------------------|-----------------------------------------------------------------|
| 6.4. Reference to other sections | See section 8 for information on personal protective equipment. |
|-----------------------------------------|-----------------------------------------------------------------|

SECTION 7: Handling and storage

7.1. Precautions for safe handling

| | |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Usage precautions | Read label before use. Do not eat, drink or smoke when using this product. Good personal hygiene procedures should be implemented. Wash hands and any other contaminated areas of the body with soap and water before leaving the work site. |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

7.2. Conditions for safe storage, including any incompatibilities

| | |
|----------------------------|----------------------------------------------------------------------|
| Storage precautions | Store in tightly-closed, original container in a dry and cool place. |
|----------------------------|----------------------------------------------------------------------|

7.3. Specific end use(s)

SECTION 8: Exposure Controls/personal protection

8.1. Control parameters

8.2. Exposure controls

Protective equipment

SECTION 9: Physical and Chemical Properties

9.1. Information on basic physical and chemical properties

| | |
|-------------------|------------------------|
| Appearance | Blue odourless Powder. |
| Solubility | Insoluble |

9.2. Other information

SECTION 10: Stability and reactivity

10.1. Reactivity

| | |
|-------------------|---------------------------------------------------------------------|
| Reactivity | There are no known reactivity hazards associated with this product. |
|-------------------|---------------------------------------------------------------------|

10.2. Chemical stability

Stability No particular stability concerns.

10.3. Possibility of hazardous reactions

10.4. Conditions to avoid

10.5. Incompatible materials

10.6. Hazardous decomposition products

SECTION 11: Toxicological information

11.1. Information on toxicological effects

Health Effects Prolonged or repeated exposure above occupational Exposure Standards may cause chronic damage to the lungs and kidneys.

SECTION 12: Ecological Information

12.1. Toxicity

Not known

12.2. Persistence and degradability

The product is chemically stable and will persist in the environment.

12.3. Bioaccumulative potential

Not known

12.4. Mobility in soil

Not known

12.5. Results of PBT and vPvB assessment

Not known

12.6. Other adverse effects

Not known

SECTION 13: Disposal considerations

13.1. Waste treatment methods

General information

Dispose of waste product or used containers in accordance with local regulations When handling waste, the safety precautions applying to handling of the product should be considered.

SECTION 14: Transport information

General

The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, ADR/RID).

14.1. UN number

14.2. UN proper shipping name

14.3. Transport hazard class(es)

14.4. Packing group

14.5. Environmental hazards

14.6. Special precautions for user

14.7. Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

National regulations

Health and Safety at Work etc. Act 1974 (as amended).

The Chemicals (Hazard Information and Packaging for Supply) Regulations 2009 (SI 2009 No. 716).

EU legislation

Dangerous Preparations Directive 1999/45/EC.

Dangerous Substances Directive 67/548/EEC.

15.2. Chemical safety assessment

SECTION 16: Other information
